(b) indication of the means with which proof or prima facie evidence of the conditions for the readmission will be provided;

(c) photograph of the person to be readmitted;

(a) if the third-country citizen or the stateless person runs a real risk of being subjected to torture or to inhuman or degrading treatment or punishment or the death penalty or of persecution because of his race, religion, citizenship, membership of a particular social group or political conviction in the state of destination or another state of transit; or
